MEMORANDUM FOR THE UNITED STATES INTELLIGENCE BOARD

SUBJECT : Ad Hoc Committee to Study Legislation for the
Protection of Classified Information

c. USIB-M-279, 17 July 1963, item 4
d. USIB-D-9.6/9, 27 September 1963 (Scheduled
on 3 October 1963 Agenda and subsequently
withdrawn.)

1. After reviewing the work of the subject committee since its creation, Mr. Houston as the Chairman came to the conclusion that in view of the formidable legal problems that were encountered and the probable political implications in proposing any legislation in this area it would not be appropriate to recommend that USIB sponsor any such legislation at this time. Accordingly, he recommended that the Director of Central Intelligence (DCI) propose to USIB that the Ad Hoc Committee be discharged and that it be left to the DCI to determine if and when this matter should be resurrected. The DCI approved, and the members of the committee have been so notified.

2. The Chairman wishes USIB to recognize with appreciation the extensive effort made by members of the committee and their contributions, which will be of great value if the subject of such legislation is resurrected.

3. The Ad Hoc Committee will, therefore, be discharged with the above expression of appreciation from USIB, unless any other member of USIB wishes to recommend to the contrary and so advises the Secretariat by 4 January 1965.
